/// PRESS RELEASE ///

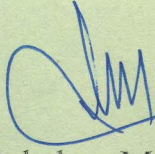

SURRENDER OF NLFT (BM) CADRES

On 10th April' 2016 at about 1130 hrs, Eight (08) NLFT (BM) ultras with arms/ammunitions surrendered at BOP Sewarmapara, 07 Bn BSF,. The NLFT (BM) cadres surrendered in presence of Police Officials of Tripura police and Coy Commander BSF near BP No.2298/MP, at fence gate of BSF BOP Sewarampara under PS Anandbazaar, Kanchanpur, Dist Tripura North.

The whole episode was made possible after a long effort and constant motivation by the security agencies. The intelligence networks of Tripura Police and other security and intelligence agencies are constantly working on every movement of NLFT (BM) cadres and monitoring minutest developments in this regard, especially those related to lower cadres, who are not happy with the senior command of NLFT (BM). Presently NLFT (BM) outfit is facing scarcity of funds and the condition of lower cadres is miserable. The frequent joint operations of BD Army and BGB in Rangamati and Khagrachari districts and proposed establishment of new proposed BOPs of BGB in Chittagong Hill Tracts are also creating a huge problem to the outfit for free movement in BD.

The names of NLFT cadres surrendered before SF :- Halongsa Tripura @ Khalangsa, Laxmanjoy Tripura @ Nandaranifa, Tarur Mohan Tripura, Mritumjoy Tripura, Debsingh Reang, Mojoiram Reang, Kusum Tripura, Bijay Debbarma and recovered arms/amn are - INSAS-01 Nos, SLR-01 Nos, Auto Fal – 01 Nos, G3 – 01 Nos, AK 47 – 01 Nos, with one mag each and Chinese grenade – 02 Nos, rounds – 116 Nos, Dah -01 Nos and a knife from the surrendered militants.

The surrender is a big jolt to the NLFT especially at a time when the organization is plagued with weak finances, disillusioned cadres and frequent rifts within itself. The state policy of promoting surrenders is giving mislead cadre an opportunity to return to the main stream and it will surely spread peace and prosperity in every nook and corner of the state. All surrendered are further sent to the custody of Tripura Police Agartala for further rehabilitation.
